# Warranty & Accessory Store

Protect and Enhance the Appearance and Value of Your Vehicle

Mercedes-Benz of Laguna Niguel is proud to offer only the finest quality accessories and services to make driving your vehicle safer, more comfortable and even more enjoyable. The products and services detailed in this brochure are only a few examples of the options made available to our customers. Please inquire about our complete line of accessories and enhancements tailored to meet your needs.

## EXTERIOR AND INTERIOR PROTECTION

**PermaPlate**  
Paintguard®/Fiberguard®  
/Leatherguard®  
/Windshield Protection

PermaPlate's appearance products help keep your Mercedes-Benz looking and feeling brand new. Each product is specifically formulated to protect the interior and

exterior finishes of your vehicle - making care and maintenance even simpler. PermaPlate's Windshield Protection guards your windshield from chips and cracks while enhancing visibility in poor weather conditions. PermaPlate's products carry a minimum 5-year warranty.

**K40 - The Ultimate, Undetectable Radar and Laser Protection System -**

K40 proudly offers the only radar / laser system with a 1-year guarantee against speeding tickets or K40

pays. Offering both front and rear protection, this unique system is 100% undetectable to the naked eye as well as police radar and laser signals. K40 boasts VG2 protection and is warranty friendly.

With LoJack, the only stolen vehicle recovery program operated by the Police, you have a 90% chance of recovering your vehicle - usually within 24 hours and often within just a few. Installation requires a small, silent radio transceiver to be hidden inside your vehicle by a certified service technician. Once installed, the unit is automatically registered in the LoJack database and is then traceable by law enforcement. And, most insurance companies offer discounts for LoJack-equipped vehicles.

## Clear Bra

Maintain the original finish and protect the most vulnerable areas of your vehicle from many types of road debris with the addition of a virtually invisible Clear Bra.

## Ding & Dent Protection

Keep your vehicle in showroom condition with unlimited ding and dent repair protection. Policies incorporate paintless dent removal, eliminating the need for body work, sanding or paint mis-matching. All vehicles are skillfully repaired on-site by a Mercedes-Benz technician.

## ACCESSORIES

Mercedes-Benz of Laguna Niguel offers a full selection of factory accessories and enhancements including wood steering wheels, chrome mirror covers,

running boards, roof racks, shift knobs, rear DVD entertainment packages, upgraded audio and security systems, and more.

## Wheel Upgrades:

We offer a large selection of sport, luxury, chrome and AMG wheels tailored to enhance the look and performance of your vehicle.

iPod /Bluetooth /Satellite Radio /Universal Interfaces - Listen to what you want - when you want it - and enjoy 100% commercial-free

music with an integrated, Mercedes-Benz compatible satellite radio system. Ask about iPod, Bluetooth and multi-functional interfaces as well.

## Body Side Molding

Body side moldings are recommended to help eliminate the risk of dings, dents, and other parking

lot mishaps. Moldings are custom made, cut and painted to match your vehicle - with careful attention to aesthetics - and are designed to complement your factory warranty.
